A number of young people, girls and boys, are in need of outfits to wear for this special occasion as they cannot afford to purchase new clothes. Fill The Closet is collecting prom dresses, shoes, and jewelry for the girls and jackets and ties for the boys. Size doesn't matter as these young people come in all sizes and can make the clothes and shoes fit. The Guidance Counselor at the school will keep the clothing and provide the items to those who need them. Please go through your closets or ask your children and grandchildren to find the items that are no longer being worn. I found three pairs of dressy high-heeled shoes I haven't worn in years and took them to Robin and Donna at Stoney Creek Auto. I'm sure we all have fond memories of prom night. Let's do our best to make sure all the young people can have the same memory. Call me, Sue Carlson 434-325-9196 for more information.
